

Changes Are Coming to Your Colma Residential Collection Services!

Please review this brochure for important information regarding your Garbage, Recycle and Compost collection services.

NEW PROGRAMS START SEPTEMBER 1, 2016

New Programs

Your curbside residential collection programs will be enhanced starting September 1, 2016 to give you more opportunities to recycle and protect the environment. More information will be provided to you in the coming weeks, but here are the highlights of the new programs:

New Carts

As part of the new services, Republic Services will be delivering three new wheeled carts to each home:

Blue Cart = Recycle

(64 Gallon)

Place even more items for recycling in this cart.

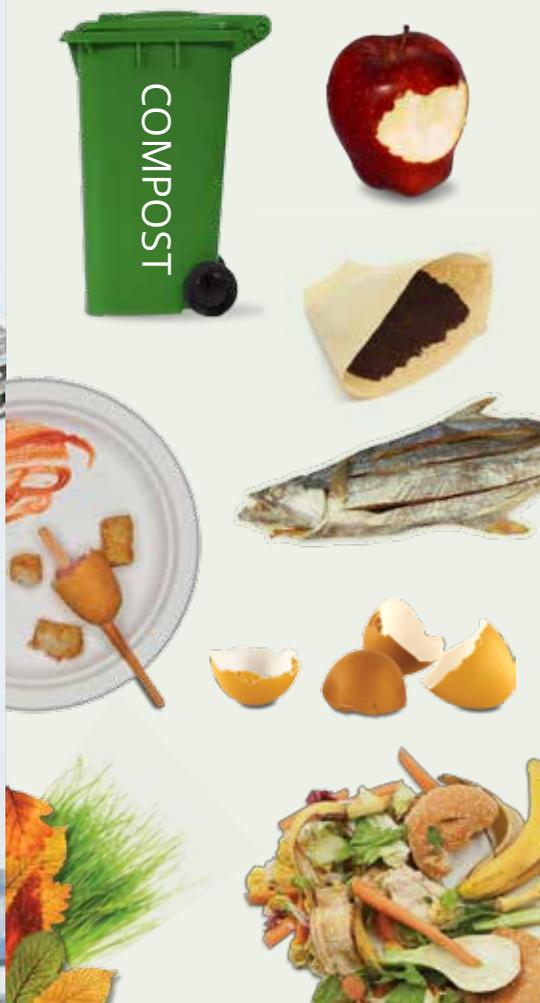

Green Cart = Compost

(32 Gallon)

NEW!

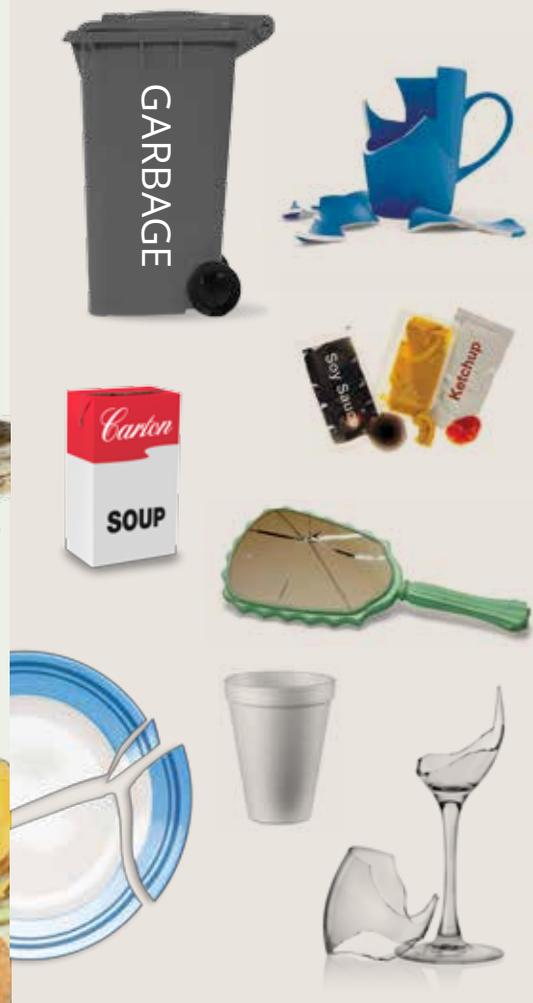

With the new program, you can place food scraps and food-soiled paper products in with your yard trimmings for composting.

Gray Cart = Garbage

(20, 32, 64 or 96 gallon)

Place only those items that you cannot recycle or compost in this cart. We now offer a 20-gallon Garbage Cart.

Savings with Reduced Rates

Republic Services is pleased to announce that while we are adding new programs, your rates will be lower starting September 1, 2016! The table below shows your current and future monthly rates based on the size of your Garbage Cart.

Garbage Cart Size	Current Monthly Rate*	Monthly Rate Starting Sept. 1*
20 Gallon	N/A	\$19.17
32 Gallon	\$25.41	\$22.17
64 Gallon	\$50.82	\$44.34
96 Gallon	\$76.22	\$66.52

* Rates shown are monthly, however, you are currently billed for two months at a time.

Collection Day

There will not be any changes to your collection day, it will continue to fall on Friday.

Cart Delivery Schedule

The new carts will be delivered on September 9th and 16th, and we will be picking up your old carts at the same time after they have been emptied.

Please leave your old carts out until they are picked up, do not put them away. If you do not receive your new carts on September 9th, you will be receiving them on September 16th.

Republic Services will be delivering the following:

- Garbage Cart based on your current level of service
- 64-gallon Recycle Cart
- 32-gallon Compost Cart

If you wish to change the size of the Garbage Cart that will be delivered to your home, you must respond by August 19, 2016 by using one of the options below:

1. **Email:** Send to InfoColma@RepublicServices.com with your name, address, phone number and the size cart you would like
2. **Phone:** [650-756-1130](tel:650-756-1130)

Residents may also request smaller or larger Recycle and Compost Carts (cart sizes available are 32-gallon, 64-gallon or 96-gallon.)

If you are satisfied with your current Garbage service level, you DO NOT need to do anything.

Kitchen Pail

To make composting easier, we will also be delivering a kitchen pail in September for you to use in your home. You can use this pail to collect your food scraps and empty them in your Green Compost Cart once the new programs start.

Please do not set the pail out for collection at the curb.

Additional Information

Remember, these new programs start September 1, 2016.

We will also be providing more information directly to you in the coming weeks on exactly what is accepted in the program, proper cart set out and other guidelines. You can also visit our website at www.RepublicServices.com/Colma or call [650-756-1130](tel:650-756-1130).

Republic Services also offers a free Language Line with over 200 different languages through our Customer Service Department.
