

## SERRAMONTE BOULEVARD PAVEMENT REHABILITATION PROJECT

SEPTEMBER 24, 2009

Serramonte Boulevard Pavement Rehabilitation Project is scheduled for construction beginning September 29, 2009.

The scope of work under this project includes repairing and reconstructing damaged pavement sections, grinding and repaving the street and striping on Serramonte Boulevard between Junipero Serra Boulevard and El Camino Real.

Construction is expected to be completed by the end of October. The contractor will install changeable message warning signs for traffic control.

At least one lane of traffic will be open at all times during construction and all efforts will be made to minimize disruption of traffic movement during construction.

The Town will provide periodic updates on the progress of this project via Livewire and the Town website – [www.colma.ca.gov](http://www.colma.ca.gov).

Thank you in advance for your understanding and patience. If we can answer any questions or concerns you may have now or in the future, please feel free to call (650) 757-8888 or write [public.works@colma.ca.gov](mailto:public.works@colma.ca.gov).

Sincerely,  
The Town of Colma Public Works and Engineering Department
