### Our New Online Registration Program

The Town of Colma Recreation Services Department has launched a new recreation software program including online registration.

The Town of Colma Recreation Services Department has launched a new recreation software program including online registration.

If you haven't already done so, please come in to the Colma Community Center to receive your updated Colma ID Card, and new Log-in and password to the online registration web-site. This is important because, if you set up your own online account and password before you receive your new Colma ID card, your online account will not be linked to your Colma ID, and you will not be eligible to receive the Colma resident rate. Once your account has been set up, you may register for programs online at [apm.activecommunities.com/colmarecreation](http://apm.activecommunities.com/colmarecreation). If you have any questions about the new system or online registration, please do not hesitate to contact us at 650-985-5678 or [recreation@colma.ca.gov](mailto:recreation@colma.ca.gov).

Discover Luzia, where a waking dream transports you to an imaginary Mexico. Experience a wondrous world that inspires you to explore your senses, enveloped in light and nurtured by rain. Luzia's inspiration tells the story of the following themes; Nature as a Metaphor - In its annual migratory journey from Canada from Mexico, the monarch embodies the deep connection between two sister countries. Spreading its butterfly wings, the running Women personifies the legendary speed of the fleet-footed Tarahumara people; A Nod to Modernity - Mexico shines with its monumental avant-garde architectural wonders. In a nod to highly modern structures, the 300 mirrors on each of the swimmers' costumes sparkle in the limelight; Ode to Surrealism - These characters with hummingbird head and wings are straight out of Aztec mythology. They are part of Luzia's surreal menagerie where it is perfectly normal to encounter a woman wrapped in an iguana shawl, a man gobbled up by a fish, or a guitarist with a crocodile head; and, Living the Embodiments of Mythology - A demigod of rain emerges from the pristine waters of a cenote, a naturally occurring sinkhole the Mayan believed was a gateway to the afterlife. He gains the trust of a magnificent jaguar, an iconic figure in Mayan and pre-Hispanic mythology. Don't miss out on the incredible show. No transportation will be provided for this event.
